VFA Forum interlift '19 – Call for Papers

From Tuesday 15 October to Friday 18 October 2019, VFA-Interlift e.V. - Verband für Aufzugstechnik - will once again be holding its lecture forum for exhibitors and visitors at the interlift trade fair. We invite you to give a presentation of about 20 minutes followed by a discussion.

The main topics in 2019:

- New products and services
- Development and implementation of national, European and international standardisation
- International markets: Great Britain after the Brexit, Future market India, Turkey as the gateway to the Middle East, Poland, South Africa
- Elevator 4.0: smart handling of smart elevators - changed business models
- Building Information Modeling: BIM for the elevator - the new roles, processes and data
- The elevator and its users: design meets emotions
- Qualification of personnel in the elevator industry: blended learning - the future of learning?!

Lectures should be submitted by Friday 12 April 2019 with speaker names, company/institution, communication data and a ten-line summary of the presentation content in German and English for internal selection. We will inform you of the acceptance of your presentation by mid-June 2019. After the fair, the presentations will be published on the VFA website.
