

Programme VFA Forum interlift 2019, Hall 2

Moderation:

Werner A. Boehm,
Programme Coordinator VFA Academy

Werner Koepff and Gerhard Ludwig,
Senior Board Members VFA

Tuesday 15 October 2019

02:15 Welcome (G)

Andreas Hönnige, VFA-Interlift, Hamburg/DE, Hall 2

02:30 Smart Technologies in the Elevator Industry (G)

Prof Dr Wolfram Vogel, GUT ACHTEN Expert, Schorndorf/DE

03:00 Practical Relevance of the VFA Seminars: Presentation and Explanation of the Exhibits used (G)

Werner Rau, Stephan Kretzschmar, VFA Academy, Hamburg/DE, Hall 2

03:30 Gateway: the IoT Mirror for Lift Cars (E)

Fabio Liberali, Alessandro Cremaschi, LU-VE Group, Uboldo/IT, Hall 8/Cube

04:00 The Polish Lift Market - Skilled Workforce in the Elevator Construction (E)

Tadeusz Popielas, PALM Polish Association of Lift Manufacturers, Warsaw/PL

04:30 Lift Eye - Real Time Panorama in the Elevator (E)

Dr Aleksey Gorilovsky, LiftEye, London/GB, Stand 3101

05:00 Intelligent and Safe Shaft Information and Positioning Systems (G)

Dr Stephan Rohr, ELGO Electronic (VFA), Rielasingen/DE, Stand 3150

Wednesday 16 October 2019

09:30 Rigid Chain Technology, an Alternative to Conventional Drive Solutions (G)

Olaf Klingner, Serapid (VFA), Bad Mergentheim/DE, Stand 5112

10:00 The Current World Trade Situation (G)

Stefan Stahl, Augsburgener Allgemeine, Politics & Economics Dept., Augsburg/DE

10:30 International Cooperation with the VFA Academy (G)

Volker Lenzner, VFA Academy, Hamburg/DE, Hall 2

11:00 National Directives: the Italian UNI 10411 Standards Series for the Modernisation of Lifts (E)

Giovanni Varisco, Volpe Editore (VFA), Vignate-Milano/IT, Stand 6005

11:30 Lift 4.0 - Opportunity and Threat for SMEs (G)

Tim Ebeling, Henning (VFA), Schwelm/DE, Stand 3101

12:00 Elevators. BIM. Automation. From R & D to BIM (G)

Andreas Fleischmann, DigiPara, Cologne/DE, Stand 7133

12:30 The Unification of Elevator Norms and Codes: Current Status and Future Developments (E)

Giuseppe De Francesco, Wittur (VFA), Bergamo/IT, Hall 8/Cube

01:00 The US Elevator Market with a Focus on New York and Labor & Education in the Elevator Sector - From the Perspective of the NAEC (E)

Donald Gelestino, NAEC National Association of Elevator Contractors; Conyers, GA/USA, Stand 2002

01:30 Future of the Indian Elevator Market (E)

TAK Mathews, TAK Consulting, Mumbai/IN

02:00 DGVV 309-011 Creates Winners: Operators, Elevator Companies, Non-elevator Companies! (G)

Udo Niggemeier, ASIB Niggemeier (VFA), Weilerswist/DE

02:30 The Focus Areas of ELA (E)

Luca Pezzini, ELA European Lift Association, Brussels/BE, Stand 2003

03:00 Technologies, Trends and International Standardisation with an Impact on Elevator Construction and Elevator Components (G)

Wolfgang Adldinger, Jan König, VFA-Interlift, Hamburg/DE, Hall 2

03:30 The Brazilian Elevator Market (E)

Fábio Aranha, AEM Mercosul Lift Association, Sao Paulo/BRA

04:00 Requirements to be Met by Lift Components in order to Achieve the Objectives Defined in DIN 8989/Acoustical Design in Buildings (G)

Ulrich Nees, Aufzug-System+Beratung (VFA), Porta Westfalica/DE

04:30 The Turkish Elevator Market - the Gateway to the Lift Markets of the Middle East (E)

Mustafa Uçar, ASFED Elevator Industrialist Federation, Ankara/TU

05:00 Energy Efficient, Environmentally Friendly and Cost-effective Hydraulic Systems (E)

Dr Ferhat Celik, Blain Hydraulics (VFA), Heilbronn/DE, Stand 3141

Thursday 17 October 2019

09:30 Hygienic Escalators and Elevators - UVC Technology and Antimicrobial Coatings (G)

Katharina Obladen, Tanja Nickel, UVIS UV-Innovative Solutions, Cologne/DE, Stand 2066

10:00 CANopen-Lift: Interconnect Hydraulic Elevators From Now On! (G)

José Guiot, Christian Schleis, Bucher Hydraulics, Neuheim/CH, Stand 1128

10:30 The African Elevator Market (E)

Segren Reddy, Virgo Communication, Centurion/ZA, Stand 6011

11:00 Digitalization: Change in the Elevator Industry! (G)

Volker Hager, Hydroware (VFA), Ratingen/DE, Stand 7161

11:30 PESSRAL - Functional Safety at Lift Systems (G)

Peter Retzbach, TÜV SÜD Industrie Service, Munich/DE, Stand 5033

12:00 BIM - Current Status in the Elevator Industry (G)

Bela Hofmann, OBERMEYER Planen + Beraten, Munich/DE

12:30 Automated Machine Learning Makes Data Analysis Tangible (G)

Rami Aro, Weidmüller Group, Detmold/DE, Stand 2133

01:00 Possible Implications of Brexit for the UK Lift and Escalator Industry

Nick Mellor, LEIA Lift and Escalator Industry Association, London/GB

01:30 Innovation through Design - Passenger Experience in the Elevator (E)

Christina Kotikosta, Kleemann Hellas (VFA), Kilkis/GR, Stand 1130

02:00 Investors' View of the Global Elevator Market (E)

André Kukhnin, Crédit Suisse, London/GB

02:30 Bosch Elevator Cloud - Platform, Functions, and Services (G)

Michael Bär, Bosch Service Solutions (VFA), Berlin/DE, Stand 3103

03:00 New Installation or Modernisation - Technical Solutions in a Bundle (G)

Volker Lenzner, LiftEquip (VFA), Neuhausen/DE, Stand 1110

03:30 Ready to Connect - Intelligent Solutions for Smart Buildings (G)

Sebastian Warnsmann, KONE, Hanover/DE, Stand 2096

04:00 Potential and Risks for European Companies in the Indian Elevator Market (G)

Volker Mayalidag, Ziehl-Abegg (VFA), Künzelsau/DE, Stand 1125

04:30 Lift Monitoring: From Exception to Expectation (E)

Matthew Davies, AVIRE (VFA), Berkshire/GB

05:00 New IoT Technologies for Modernisation (E)

Stefano Galzignato, Digicom, Legnano/IT, Stand 2073

Friday 18 October 2019

09:30 New Emergency Call System acc. to EN 81-20, Operation in VoIP and 5G Networks (E)

Alessandra Mancinelli, esse-ti, Recanati/IT, Stand 5114

10:00 The Elevator and its Users - Elevator Use in Case of Fire for Evacuation: Needful or Unnecessarily Dangerous? (E)

Willem Kasteleijn, Liftinstituut, Amsterdam/NL, Stand 3187

10:30 Blended Learning: The Future of Learning - also in the Elevator Industry! (G)

Reiner Dummert, VFA Academy, Hamburg/DE, Hall 2

11:00 Digitalization and its Influence on Elevator Components, by the example of Door Operators and Safeties (E)

Karl Kriener, Martin Zellhoffer, Wittur (VFA), Hall 8/Cube

11:30 Elevators as an Element of Style (E)

Andrea Bondavalli, Wittur (VFA), Colorno/IT, Hall 8/Cube

12:00 Mobile Service App - Mobile, Extended Support and Predictive Maintenance (G)

Oleg Burdowski, orderbase consulting (VFA), Muenster/DE, Stand 2115

12:30 The Demands on a Modern Lift System - the New Product Portfolio of LM from the Customer's Point of View (G)

Martin Grabmayer, LM Liftmaterial (VFA), Wiedenzhausen/DE, Halle 8/Cube

01:00 Innovative Operation of Elevators by means of Digitalization (G)

Tim Gunold, Hundt Consult, Hamburg/DE

01:30 Rapid Digitalization for Your Business - an Open Platform for Elevators (G)

Dr André Jung, Vestner Aufzüge (VFA), Munich/DE, Stand 7131

02:00 ZFA Rosswein, Practical Training Centre - New Technical Testing Possibilities (G)

Diether Hills, Daniel Rossberg, MFM Rosswein, Rosswein/DE

02:30 The VNDNet Cloud Service - Going Toward Digitalisation/Lift 4.0 (G)

Stefano Uslenghi, Rocom Energie- und Kommunikationssysteme (VFA), Rodgau/DE, Stand 5114

03:00 BACnet - Bridge to More Building Efficiency (G)

Thomas Reimann, Ingenieurbüro Reimann, Magdeburg/DE, Stand 2142

All lectures 20 minutes + 5 minutes discussion

(G) in German language - simultaneously translated into English

(E) in English language - simultaneously translated into German
